- It Couldn't Be Done (Edgar Guest)
- Somebody said that it couldn't be done,  
 But, he with a chuckle replied  
 That "maybe it couldn't," but he would be one  
 Who wouldn't say so till he'd tried.
- So he buckled right in with the trace of a grin  
 On his face. If he worried he hid it.  
 He started to sing as he tackled the thing  
 That couldn't be done, and he did it.
- Somebody scoffed: "Oh, you'll never do that;  
 At least no one has done it";  
 But he took off his coat and he took off his hat,  
 And the first thing we knew he'd begun it.  
 With a lift of his chin and a bit of a grin,  
 Without any doubting or quiddit,  
 He started to sing as he tackled the thing  
 That couldn't be done, and he did it.
- There are thousands to tell you it cannot be done,  
 There are thousands to prophesy failure;  
 There are thousands to point out to you one by  
 one,  
 The dangers that wait to assail you.
- But just buckle it in with a bit of a grin,  
 Just take off your coat and go to it;  
 Just start to sing as you tackle the thing  
 That "couldn't be done," and you'll do it.

  6. SUCESS is not money and money is not success.

Think of your brethren like unto yourselves, and be familiar with all and free with your substance, that they may be rich like unto you. But before ye seek for riches, seek ye for the kingdom of God.

And after ye have obtained a hope in Christ ye shall obtain riches, if ye seek them; and ye will seek them for the intent to do good—to clothe the naked, and to feed the hungry, and to liberate the captive, and administer relief to the sick and the afflicted.

22. Burn the ships

When Spanish Conquistador Hernando Cortez landed in Mexico, one of his first orders to his men was to burn the ships. Cortez was committed to his mission and did not want to allow himself or his men the option of going back to Spain. By removing this option, Cortez and his men were forced to focus on how they could make the mission successful.

Until one is committed, there is hesitancy, the chance to draw back--Concerning all acts of initiative (and creation), there is one elementary truth that ignorance of which kills countless ideas and splendid plans: that the moment one definitely commits oneself, then Providence moves too.

All sorts of things occur to help one that would never otherwise have occurred. A whole stream of events issues from the decision, raising in one's favor all manner of unforeseen incidents and meetings and material assistance, which no man could have dreamed would have come his way.

Whatever you can do , or dream you can do, begin it. Boldness has genius, power, and magic in it. Begin it now."

And Life would pay no more,  
However I begged at evening  
When I counted my scanty store.

For Life is a just employer,  
He gives you what you ask,  
But once you have set the wages,  
Why, you must bear the task.

I worked for a menial's hire,  
Only to learn, dismayed,  
That any wage I had asked of Life,  
Life would have willingly paid."
